Scientific Farm Animal Production: Pearson New International Edition (Paperback)

By Robert W. Taylor, Thomas G. Field

Pearson Education Limited, United Kingdom, 2013. Paperback. Condition: New. 10th edition. Language: English . Brand New Book. For courses in Introductory Animal Science or Introductory Livestock Management. Scientific Farm Animal Production: An Introduction to Animal Science, Tenth Edition, offers students a comprehensive, science-based approach to managing livestock for food, fiber, and recreation. This best-selling text examines the biological principles, scientific relationships, and management practices of livestock production, providing students the context and foundation upon which they can determine their academic and career focus. Updated with new figures, color photos, and current demographic data, the tenth edition is the best reference and resource available to teachers and students at the introductory level in animal sciences.

Reviews

The ideal ebook i actually study. It is among the most incredible book we have study. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Boyd Steuber

A must buy book if you need to adding benefit. Of course, it is actually perform, still an interesting and amazing literature. I am delighted to explain how this is basically the best book i actually have read through during my individual life and may be he best book for at any time.

-- Jarod Bartoletti
